PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 10/18/2024.

On October 19, 2022, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Toby Olson, Jr., as outlined in the judgment and sentence. He signed the judgment acknowledging an understanding of the requirements.

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number **Nature of Noncompliance**

2 **Special Condition #19:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On or about October 21, 2024, Toby Olson allegedly violated special condition number 19 by consuming methamphetamine.

On October 22, 2024, the offender was contacted and instructed to report to the U.S. Probation Office for random urinalysis testing.

Later that same date, on October 22, 2024, Mr. Olson reported to the U.S. Probation Office as instructed. He was then subject to random urinalysis testing and provided a urine sample that tested presumptive positive for methamphetamine. The offender subsequently admitted to the use of methamphetamine the day prior, on October 21, 2024, and he signed an admission of use form confirming that use.
